“ I have known Mary for many years through the JCC and her attendance at the Mondays with Meaning programs. She was always smiling, always polite and friendly. I always had tremendous respect for her and I was always happy to see her. She will be missed.

“ To Mary's Family,  
I worked with Mary for many years at the JCC. She was a joy to work with and see every morning. Mary was smart and wise and offered advice which I and my colleagues appreciated and used in our lives. I'm so sorry to learn of her passing. What a great person she was! My sympathies are with you.

“ *May you all be comforted bsoch shar availay yerushalayim...I was in Bailas class and remember your mother from way back when..always with a happy demeanor and smile on her face ..except once...1 shabbos afternoon the girls were invited over..when someone made an off handed remark about a group that wasn't very mainstream.Mrs Goldberg nipped it right in the bud..she would not tolerate anyone disparaging another Jewish group..not in her house..that was clear. That made such an impression on me that I remember it abt 50 years later! Yehi Zichra Boruch....Helen (Mermelstein) Rosenberg*
