“ *My dear neighbor Matei. He had a way to brighten my day with his big smile and some of the cutest jokes. I treasure the time when he came to my house to say how sorry he was within minutes of my mom passing. He truly was a mensch and irreplaceable neighbor.*

“ *My sweet Grandpa, thank you so much for teaching me to accept people for who they are and not only where they are from. I'm so incredibly proud to be the granddaughter of a Holocaust survivor. Spending my Tuesday's with you these last few years have been so precious to me, thank you for letting me in, and allowing me to learn so much more about you. I feel so proud to be alive, and to know how much you went through in order to be a part of our beautiful family that you've created. Thank you for teaching me strength, patience, and unconditional love ❤️ I will never stop missing you, and our times appreciating the seasons changing while sipping on vernors on your porch.*

Love Always, Mollie
