“ *I have known Matthew for many years, having met him when he was at Clarkston High School. We crossed paths again at the Life Skills Program. I always found Matthew to be a very kind and considerate person who got along with everyone! He was always very pleasant in his interactions with others and he maintained a large circle of friends. He will be missed by everyone especially all of his friends at the Clarkston Life Skills Program. It has been a pleasure having known Matthew and I am thankful for that.*

“ Altho I personally did not know Matt, my two daughters, Michelle and Megan Brodkorb attend the Life Skills Program and feel a profound loss for his passing. They shared with me that he was a super nice and polite classmate and was always very helpful. They are extremely sad right now.

Our hearts go out to his family in this enduring time and we pray for peace for them. May he rest in peace.

“ It so incredibly sad to hear about the loss of my former student Matt. Matt was kind, helpful, quiet and respectful. Rest in peace my friend. You will be greatly missed by all your peers.
