“ *My girlfriend and I were both good friends of Clara's many years ago and knew that she always took care of her brother, Maurry! I am sorry to hear of his passing. I did not realize that this was the Maurry that everyone loved, as the ice cream man!*

“ *Growing up my favorite part of the day was seeing Maurry coming down the street in his Ice Cream Truck. He has always held a special place in my heart. One of the kindest souls I've ever known.*

“ When you think of growing up in Oak Park in the 60s, you have to think of Maurry. I am sure that somewhere in a box of things I refuse to throw out there are some "Maurry coupons" that we would collect until we had 10 for a free ice cream. He was the first to have those red white and blue ice pops shaped like a rocket. He was so kind and good-natured and we knew that he loved all of us, and we loved him in return. Never to be forgotten! Condolences to his family and friends and may he rest in peace.

“ I have Maurry since I was a little boy growing up in the Dexter, Linwood neighborhoods. I use to see him parked by Roosevelt and Durfee. Maurry lived either on Cortland or Richton. He knew me my entire life. My mom Evelyn Siegel Golding knew Clara. He was always happy go lucky. He was a great guy. He will be missed.

“ Either before Maurry was an Oak Park Ice cream man or during the same years, he was a northwest Detroit ice cream man. He used to park his ice cream truck behind Schulze School in the late 1950's and 1960's waiting for us when school let out. Wonderful memories of him have been shared on facebook for many years as baby boomers share stories of growing up in northwest Detroit. Our thoughts are with you, his family during this difficult time.

“ *What a legend! Growing up in Oak Park I knew only one ice cream man "Maury the ice cream man". Or as I use to say "Man". Words alone cannot say enough for all smiles that Maury brought to me and all the kids growing up in Oak Park, What a pure joy he was. He may be gone ,but the joy of seeing him come down our street will last forever. What a legend! Dave Blatt.*
