“ *I was Mendy's classmate for several years in grade/middle school.
We were the only "Menachem Mendel"s in a non-lubavitch school.
We were pretty close friends growing up. I'll always remember him
as a happy 4th/5th grader smiling and laughing while we rode our
bikes after class or hanging out at each other's house on Shabbos
afternoon....*

*You will be missed Mendy
