“ On this last day of 2020, I have just learned of Merel's passing. My husband, Ron, worked for Merel for a number of years and always remembered him fondly. I too had the privilege of meeting him several times. He showed numerous kindnesses to our family. My deepest sympathy goes out to Natalie and the family. I am sure that through this hard year we have spent, Merel has been greatly missed.

“ I am a childhood friend of his granddaughter Carli. He and "grandma" always treated me like family. Always kind, and always had a smile. He will be missed and we will be keeping you all uplifted in prayer.

“ I've know Merel since my daughter Kristina married his grandson Aaron but didn't see too much of him until Elizabeth and Alana were born. Oh, he loved those great-granddaughters so much! He and Natalie would see them at least once a week and he always brought them some little treat. It was such a joy to see his face light up when he saw those girls.
