“ *Dear Carol*

The grapevine brought me news of Merton's sad passing.

I was articled to Merton in 1969 (accountancy student) in a Chartered Accountants firm in Finchley North London.

I remember Merton with fondness and thank him for making me the accountant I am today some 52 years down the line.

My family and I wish you and your family a 'Long Life' and send our sincere condolences.

With kindest wishes from David and Denise Beckwith
