“ I am the daughter of Michael Ehrlich and I just want to say that I had the best dad. He loved his family very much and would do anything for them. I was a daddys girl. My dad also had a son, my brother Terin Ehrlich and 3 beautiful granddaughters who never got the chance to know their amazing grandpa. Je loved them so much. He was a very generous man when he could be and loved being around family. He loved food and had great taste, he knew all the great places to eat. My father did a lot of traveling for work and he never stopped trying to make money. He was also a vet. He was a lover. I miss him every single day.
