“ Mike was salt of the earth!. He was one of the kindest, and most honest people in business. I will miss our endless conversations when we typically laughed from the second we got on the phone till we hung up. I will also miss our daily lunch and errand runs. Mike and I loved going to great, new restaurants together. Lastly, I remember him telling me how much he loved his grandkids and family. I know we will all celebrate the time we spent with him. Godspeed my friend! My deepest condolences to Mike’s family and friends! He will be missed!

He was a very private man. Someone I need to learn lessons from. I trying to practice to this day and it’s not going so great. Mike, give me strength from above!!
