“ *Michael was my Fraternal Twin Brother. He was a wonderful, caring and thoughtful person. He never held a grudge and always thought to help those in need. He would give his last nickel if he thought you needed it. This is something I frequently saw him do to help others he felt were less fortunate.*

*Michael lived a very modest life. From him I learned that one could get by with very little but have so much and be happy!!!*

*Michael was a extremely spiritual and very creative person!! He was an Artist and would often give away paintings and sculptures to those he felt truly appreciated them.*

*I am very fortunate and proud to have several pieces of his artwork on display which also means I get to see a part of him in each of them!!*

*I know now that you are on your next grand adventure so please be happy!!*

*Know that I carry you in my thoughts and in my heart!! I Love you always and of course we will meet again!! Rest in Peace my dear Brother!!!*

“ *Michael was my loving uncle. He had the greatest stories I've ever heard and still tell people to this day. He was one of kind and always was willing to help anyone in need. He would give his last dollar to someone if he knew they really needed it. I know your having the time of your life in the after life Uncle Mike. I will love you forever.*
