Hebrew Memorial Chapel - August 13, 2025 at 10:21 AM

“ Thank you for creating the webcase for those who could not attend. Will never forget our times together, and although it's been longer than I would have liked since we talked, I'll never forget you. Thank you for everything you did for me in the course of our short time together. Rest easy friend.

“ Mikey grew up with my kids from when they were in elementary school at Avery. He and Erica were always at my house. Although they have been out of touch over the years, they are good memories. I'm so sad for Mikey's family. I wish them strength through this horrible loss. RIP Mikey

“ Michael was a great working partner and dear friend. He was such a happy, kind, and sensitive soul. His attitude would brighten up our office. Mike would always put his family first. I remember how much he cared for Anne and her feelings. He was a hands-on nurturing father. He has drawings both Cece and Izzy colored for him displayed on his desk. I remember he would always make me laugh when he was frustrated with the Tigers or losing fantasy football. Mike made going in to work easier. He was a strong support for all who knew him. Michael will be greatly missed. Taken too soon from his beautiful young family.

“ I was a good friend of Annie's while living in Houston in 2009-2012. Mikey would come visit Annie every month or so and he was always so friendly. While Annie & my lives grew apart with work & family taking us elsewhere, I had the blessing to visit Annie, Mikey, Cece & Izzy last November & felt like a day had not passed in my friendship with Annie & Mikey. He was such a kind & loving partner & father. We love you Mikey!!!

“ We lived next door to the Englers on Talbot for several years. Our youngest son Nasoniel was good friends with Mikey. They use to play often together and yes, get in some trouble together. They were friends, even though, our children went to the Yeshivah and the Englers children went to public school. We were also friendly with Erica and for many years, we would go to their house and blow the Shofar for them on Rosh Hashanah. Mikey will truly be missed. May his family be comforted with the mourners of Zion. Rabbi and Mrs. Dovid Nerenberg & Family
