“ So many good memories of working with Mim at Hicks. A true friend and always someone I could talk to. She passed on her love of books to the kids on a daily basis. She was one of a kind and will be missed. So sorry for you loss. My prayers are with Mim and her family at this time.

“ Roz,
I have so many memories of your mom....your mom (and dad) singing Christmas carols at our house on Christmas Eve...eating "something your mom whipped up" in your kitchen, always delicious...sitting on the couch in your living room having a heart to heart with Mim, usually about boys, family and life in general. She was such an amazing woman, full of love and grace! She gave a book to each of my daughters when they were born, which they still have. You have been in my prayers!
Love,

Thank you Becky! I will always remember the great times we had. I think my friends liked my mom more than me! She was a tough, sweet, loyal lady who will be greatly missed!

I think of your mom every time I see a bean bag chair! Sometimes even the stitching on leather furniture reminds me of her...you never know the impact you have on people.

“ Mim - I have never met someone so passionate about all things she loved - especially the kids and books! Maybe that's why I liked her so much - we shared the love of books, especially when it came to the children.

Some people go through life never knowing someone as amazing as Mim - I am blessed to have had her in my life. Prayers to the family.

Fondly,

“ Mimzy.....her genuine love of literature and the children that passed through her libraries was unmatched. I remember fondly working with her on special projects through the years in the district and when I inherited her Jefferson library I was in awe of the books she managed to fill the library with when we didn't even have a budget. She was one of a kind for sure.

She will be missed.

Sincerely,
Julie Roberts

“ I remember assisting in the library at Jefferson when I was in 6th grade. She was the best librarian. My favorite book for many years was the one about Sacajawea. She never could pronounce the name correctly and always, always asked me whenever she saw me to pronounce it. When they updated the library with new books she contacted me and gave it to me. 💕 She was an amazing woman that shared her love of books with all the children she helped in the library.

Thank you for that sweet memory! My mother honestly believed that it didn't matter how much money you made, but that you were important in the life of a child!

“ *Mim and I worked together at Jefferson Barnes. She sure did love those kids and the books. Mim found ways to buy lots of beautiful books for our library. We still got together after we were both retired. She always asked me how my son, daughters and grandchildren were. Mim always brought me pictacios. We both loved them. I will miss you Mim. You were always an angel. My thoughts are with you, Lenny, Roz, Loren, Nancy and Family.*

Loved working with her at Lincoln! It was so fun when Lenny would come in with Popcorn toward the end of the day! I've thought of Mim often - in fact just a few days ago. Hugs to her family!

I worked with Mim at Lincoln. I use to help her with putting plastic covers on the books. She was always very thankful for my help. She was one feisty lady, and I just loved how she spoke her mind :) Rest in peace Mim, you are gone, but never forgotten. Thank you for all you done for our Wayne Westland students. Theresa Batayeh.

I worked with Mim at Monroe. She was always cheerful and helpful. I never heard her say an unkind word. A lovely lady for sure. So sorry for your loss.

“ Our Miriam, of blessed memory. One of the Three Musketeers as we called ourselves, or "Sisters Under the Skin." Every Saturday for decades we were on a mission, as Miriam called it: jewelry shows; antique shops, resale shops, lunch. One year we bought \$150 dollars worth of bargain lobsters and had us a feast. Always interested, engaged and committed; she was a joy.

“ My mother was a smart, fiercely loyal person. A spiritual Zionist, who loved politics, family, friends, her home and was was an avid reader and artist. She was a protector who wasn't ready to leave the love of her life, Lenny, my dad. I sincerely thank the friends and family who stayed by her these past difficult months. I also sincerely appreciate the staff at Brookdale and Angela Hospice for making this easier on my family and giving dignity to her passing. And my brother Loren (and Nancy) who had to do most of the work because I live in Chicago.
