“ My condolences to Mollie's family. May her memory be for a blessing. I didn't have the pleasure of knowing her but have been a friend of Brandy for years, and see a facial resemblance--very becoming to both of them! Love and healing prayers to all of you.

My condolences to the entire family. She was an inspiration to all. A very fine woman. As a life long friend of Gordon she always showed an interest in how I was doing as well as my family. May her memory be a blessing.

Gordie... I tried to send you an email but it bounced back. I'll share it here.

---While I never met your Mom, I'd like to think that she was a lot like mine. And if that was so... we were both very lucky.

Soon the sadness will be replaced by only happy memories. And I hope each and every one brings a smile to your face. I know that's how it works for me.

My best wishes to you and your entire family. -David Lewis

Gordon, I was looking up an obit of a friend and bumped into this one by coincidence.

I am sorry to learn this.

Best wishes to you and your family.

Anytime I hear of a friend's parent being taken from them, I feel very bad.

On the positive side, it looks like she had a long and vibrant life.

Always too soon, though.

All the best!
