.Age 94, of Boca Raton, formerly of Michigan, died January 24, 2023.

As a loving Husband, Dad, Papa, Great Grand Papa, Uncle, Brother and true friend, there is no replacing “Morty” as he was lovingly called by friends, family, and customers. He was in one word, a Mench. He was a kind and special soul that was loved by those who were lucky enough to know him. It was said that he was an angel among men, a mench in every facet of his life. Having married his high school sweetheart, and love of his life, Diana Berzner, they built a beautiful home together based on traditional Jewish values of love, kindness, charity and community involvement. Morton was very generous to a long list of charities, and was very private about those donations, not looking for recognition of any sort.

Morton Tobin taught by example and had a tremendous work ethic. He was Co-Owner of United Auto Parts with his brother Harold, had fruit and vegetable stands at the Ferry-Chene Market, and later at the Eastern market

with his beloved wife Diana, and was partners with his son Aaron at Global Remanufacturing. In his personal life, he taught selflessness and showed everyone how to love and care for others. Morty was a long-time member of Congregation Shaarey Zedek in Southfield, MI, and was an active member and board member of Temple Beth Israel of Deerfield Beach, Florida

Beloved husband to the late Diana Tobin.

Devoted father of Aubrey Tobin, Aaron Tobin, Sandra (Paul) Marx, Amy (Allen) Olender, and Bonnie (Zoel) Silverman.

Loving grandfather of Teddie (Adam) Eisenberg, Max Olender, Julie (Matan) Arnon, Melanie Silverman, and Ilyse Silverman.

Proud great-grandfather of Dillan Eisenberg and Maya Dina Arnon. Cherished brother of Florence (late Donald) Nitzkin, Marshall (Rhoda) Tobin, late Harold (late Ruth) Tobin, and the late Al (late Virginia) Tobin. Also survived by many other loving family members and friends.

“ Every memory I have of Uncle Morty and Aunt Diane are always just full of goodness, smiles ear-to-ear. I remember this one time when they brought the right-hand drives Rolls Royce (Silver Spur, I think) to California. I got to sit shotgun (on the lefthand side), I probably only had my learner's permit so I was definitely not used to being on the "wrong side" of the car. Every single time we made a turn, doesn't matter if left or right, Uncle Morty just had the hugest smile, like he was still a 16 year old kid who just got his license and was driving daddy's car (with his blessing). I love you forever, Uncle Morty. You're weren't just a great uncle, you were a GREAT uncle.

Love,
Cory Michael Tobin

“ Diana lived with us in her senior year of high school. Morty would take her out on the weekend and would pick her up in a Model T or other vintage car. He would drive us around the neighborhood before they went on the date, always kind and thoughtful. I later worked at the Chene-Ferry farmer's market for four years for Diand and Morty and it was my favorite job. Boz Schrage
