*How do I get in touch with you? I have many questions as I've just seen this! I knew the entire family growing up. My family knew the rebbitzin. And lost touch in about 2000 with Moe. I knew Barry had passed. Not sweet, beautiful Hannah. And today I some how found this. Truly heartbreaking. May their memories be a blessing. Jackie Hirschhorn*

“ We are deeply saddened by the unexpected passing of Moe, a longtime friend of our family with whom we shared many cherished memories over the years. Moe was a great listener, compassionate and caring, always offering understanding and support to those around him. His wit and warm personality often made him the life of the party, bringing laughter and joy to every gathering.

*Moe will be sorely missed and lovingly remembered by all who knew him.*

“ How exceedingly sad! Their entire family is now to be reunited in eternal rest - until the fulfillment of the prophecy of Yechezkel Hanavee (The prophet Ezekiel), which was the Haftorah text that was chanted this morning, Shabbat Chol Hamoed Succot in synagogues around the world! The prophecy of Ezekiel in the Valley of the Dry Bones.

(See Ezekiel, Chapter 37).

May we all witness the coming of Eliyahu (The Prophet Elijah), who according to traditional belief is supposed to precede the Moshiach, and announce that the latter is arriving in three days!! May it be so within our lifetimes, Ahmeyn.
