“ We are so sorry to hear of your loss. Even in the brief time I spent in the presence of Moshe a"h ,I could sense that he was a special neshama filled with goodness and light .His face had a radiance and an inner peace .For whatever reason ,he needed to be on this earth for one more year and you were given the zechus to be his caretakers for that year ,a task that you completed with love and devotion. But he completed his tikkun and he is now with Hakadosh Baruch Hu in Olom Haba in a place without pain and with infinite joy .May Hashem comfort you with all the mourners of Tzion and Yerushalayim .
