To my dear friend of many years ago, Dora, from the time when we both lived and worked in Haifa. We kept in touch somehow but never managed to meet. I saw this by accident on line and feel so very sorry that you have lost Myron, From his description he was a truly wonderful man and I am so pleased that you shared such a happy life life together. My feelings go out to you and hope that you are comforted by many happy memories and your family that you have around you. With fondest wishes for a long life and hoping that we may come to meet again.

“ *Our sincerest condolences - we will very much miss seeing Myron at Beth Shalom - especially on the days when he led services or read Torah. He always had a warm smile and was very sweet with our family.*
