“ *He was a haimash man and was a zesa mensch. He has touched many people's heart with his kindness. He will be missed. Many memories - he always had ice cream for everyone, his barbecues at his house, hearing about his travels, him speaking French and so many more. May he rest in peace.

TS

Uncle Nate was one of my favorite uncle's. He was funny, personable, likable, and easy to talk to! Even though he lived in Michigan and I grew up in California, it didn't make a difference, we always felt close to him whenever he came to visit his sister (my mom, Nette). My dad who is now 97 said the other day "he was one of my favorite relatives!" We will miss you Uncle Nate.

Love from Teri and the entire family.
