“ *Nate was a lifelong friend of our family. I worked with him as a teenager. He was funny, generous with his time, & always tried to get me to do the right thing (which wasn't easy & required great patience on his part). I have such cherished memories of the time we spent together. And some those memories are just flat out hysterical.*

“ *We remember Nate as a classic schmoozer, fine electrician, and a heck of a dancer. 🕺 Great guy.*
