“ So very sorry for your loss. He always had a fantastic smile on his face. Always helpful and so nice. I remember going into his stores. The old and the new one on Coolidge. May his memory be a blessing.

“ Dear Mrs Peiss,

I am terribly sorry for the loss of your late husband, Nathan. From what I've read on these pages, I gather he was a wonderful, happy, and loving man.

Perhaps "Dr. Peiss is Nice" rang true as your students' classic motto for you.

I wish you comfort and a return to your infectious smile.

“ *From Sheila Johnson from Clarkston, Michigan
Saddened to hear of Mr. Peiss's passing. I was his dental hygienist for 22 years and always looked forward to his visits. He was always cheerful and loving of his family.
Gd has welcomed a good and faithful servant.*

“ *First some background on who I am...Nate was an Uncle to me growing up. He and Marilyn were my parents best friends. And my Mom considered them family. I could always count on them being there for me.*

On a humorous note, Nate only asked one thing of me- if I'd send him Starbucks cards from Denver! He was quite the collector and took pride in this.

I am sad that he is gone. And wish I could be with you tomorrow in Detroit to remember. Love you Uncle Nate.

“ *I am so sad to learn of the passing of my friend and mentor. Nate was a wonderful man, a good friend, and someone I held in high regard. I first met him when I was 16 years old. I was working at Oak Park Schools Television, and he was looking for people to help with the City of Oak Park access channel. I jumped at the chance. I can honestly say that without Nate I wouldn't be where I am today. I last saw him a year or so ago. I was still working at Oak Park Schools. I am deeply saddened that he is gone.*

“ In these days where crossing the political aisle is so rare, I thought I'd share a memory when I, then a ninth grader at Frost with a reputation and look as a hippie, accompanied the school board on an inspection of OPHS's new wing in the spring of '71. It included a state of the art TV studio and it was explained only 12th graders would be allowed to take the class. Mr. Peiss was standing next to me and we had never got along. But I turned to him and said, "if you let 10th graders use the equipment by the time they graduate they'll be really good at it.". He looked at me and I could literally see the wheels turning in his head. Finally, he smiled and said, "That's the first sensible thing I've ever heard you say."

I am so sorry to see the passing of Mr. Peiss...he was a SUPER NICE GUY. I worked for Oak Park Schools for 34 years. He always had time to stop by my classroom at Pepper and I always stopped by Specialty Printing...always nice to see him and Marilyn. Most recently saw them both at Maggiano's in Troy...spent a few minutes just catching up. My sincere sympathies to all...may his life be a blessing to all!

One of the dearest, wonderful man I had the honor of knowing. His smile, to me and other friends, was his trademark. His smile was a smile that came from his heart. May his soul Rest In Peace and may his memory be a blessing. The lyrics of an old song says it best "... the song is over but the melody lingers on." Nate is no longer with us but he will long be remembered. Rest In Peace good friend.
