“ To Nancy and the entire family: There so many memories from Telz and Denver when you graciously hosted me when I was travelling, that speak to his gadlus in midos ben adam l'chaveiro. We never learned together but we were good chaverim even at the secular level attending college in Telz. What memories!!! One that stands out was when he wrote a paper on Anti semitism and asked Rav Gifter Z'L for his approval and Rav Gifter accommodated by coaching him.

“ To the entire Lauer Mishpacha,

I was so saddened to hear of the loss of your dear husband, father, grandfather and brother. Nancy, I felt privileged to have seen both of you when I was in Detroit this past May. It was a memory that I will personally treasure, with the lesson being to always grab the opportunity because once missed, it can never be recaptured.

I was so honored that Rabbi Lauer gave me the zchus to host his Monday night Ladie's shiur at my home for so many years. Each one of his faithful תלמידות learned so much from him. He shared his knowledge and wit, always with a twinkle in his eye. And he always said it like it is, not mincing words, not worrying about being politically correct.

Rabbi Lauer gave us so much insight into the beauty of Rav Gifter and Telz. It connected me to a world I otherwise did not know.

I really appreciated the warmth that Rabbi Lauer always showed me and Ephraim. He will be sorely missed. He was a very special person and I feel privileged that through him and Nancy, and of course Baila, I got to meet so many of his dear children and grandchildren.

On a lighter note, I smile when I remember eating a Pesach seuda with Rabbi Lauer and Nancy, Lanie and crew and Estee were in. And how he liked the meat rare!!! Did it really moo?? It was so special. And when I bentched from the Haggadah from the House of Sages and shared how special it was because I had grown up with, he gave it to me after Yontif. Till this day I use it at every Seder and think of him and his kindness and thoughtfulness.

“ Our close relationship with Rabbi Lauer & lehebodel his entire mishpacha can never be underestimated. His brilliance, his practical advice and his sharp sense of humor all stand out in our minds. He taught my sisters (Bergman girls) and our daughters and was appreciated by them all! The womens' Shiurim over the years were something we ran to in Denver and we marveled at his pikchus. The Shabbosos, the Purim seudos, the simchas we all shared... we were FAMILY & we'll never forget him. We ask that HKBH bring nechama to Nancy & all her children as well as his brothers... may Nesanel ben Rephael Aaron Shlomo be a gitte beiter for the family & all of Klal Yisroel.

“ One of the greatest lessons I learned in Bais Yaakov Denver [1983-87] was the shining example of Torah and Derech Eretz embodied by his actions. It was often demonstrated in class and outside of them, that despite the division of the syllabus into religious Torah classes and secular classes, all our lessons were Torah lessons; all knowledge is Torah knowledge, and we must recognize it as such.

“ Rabbi Lauer was a great principal. He cared so much for the students and I truly felt his dedication to all of us. I'm a second generation student of Rabbi Lauer, my father was in his first class that he taught in Cleveland Ohio in the 1960s and I was in his high school in BY Detroit in 2003. My father speaks highly of Rabbi Lauer, as being energetic and 'cool', a teacher whom the students could relate to.
