“ *Mrs. Leibovitch taught both of my kids (Maggie and Ben). She was a great teacher, and she was openly warm and caring with the children. I'm very sorry for your loss. I hope that her memory will always be a blessing and source of comfort.*

“ Noga was my aunt, but even though she lived far away she was like another mom for me. She usually came to visit around Hanukkah time and I remember how much warmth and happiness she brought to our house. Her memory will always be a blessing

“ Noga שלי was the most wonderful mother-in-law I could have asked for. She radiated with love and kindness. She cared deeply for her children and showered her grandchildren with love and pride. She touched the lives of so many young students and invested in them as if they were her own.  
She was a one of a kind woman and she will always remain an inspiration to me.
