“ Norm was a great guy and Charlie and I sat with him at many events over the years. We enjoyed knowing him very much. Sorry I couldn't come today because of recent surgery but my heart was with you and your family. Prayers for your loss and blessings for your getting through this next part of the journey of life. “ Dad in his element - using the chamois to dry off the car after it rained at camp. He always made the same joke about getting a "free car wash". So many memories of Scout and family camping ..
