“ I worked with Norm for 21 years. He was a second father to me and a brilliant lawyer. I will miss his stories of travels and that amazing smile of his. Such a good man! My love to the entire Hyman family. He loved and cherished all of you. Mary

“ Norm and I came to know each other in law school. We both returned to Michigan and became close friends immediately and for all the years thereafter. He possessed an immense capacity for warm friendship and commitment to common effort. Our family joins together in sending our deep condolences to the entire family.
