“ Dear Family and Friends - I won't be the first to say that Oleg was a special kind of friend to so many. He brought such a great spirit to any room he entered and would drop anything to help a friend in need. His smile will never be forgotten and his spirit lives on through all of us. My prayers are with Oleg and his family always.

“ Oleg and I have many great memories... one most recent is him loving this kitten I found on my porch so much. He said his dad was lonely loosing their kitty and he wanted to give him to his parents to cheer him up. Never thinking of himself he forced the kitty on his family. I wonder if the baby was meant to be there for his parents for comfort. So that they have a piece of his heart to remember him by and to nurture. I'm very sorry to you guys for such am overwhelming loss. He was a light to each person and animal he touched. He is greatly loved and missed.

Oleg was the sweetest, most loving man I've ever known. His laughter was contagious, his kind heart could brighten anyone's day, and his generosity to those he loved was incredible. He will be sincerely missed and he will have a place in my heart forever and always!
