“ I knew her from when I was working in the Cadillac Tower 1969-1975, as she and Sam rented space in our office. Thereafter, it was always great to see her, whether it was downtown, or at Kroger's with Carol or Julie, or at other people's shivas. I always did love her. Rest in well-deserved peace, Olga! My deepest sympathy to the entire family.

“ Dear Carol & Julie,
Your mother was near & dear to my heart. I will always love her & she will be in my memories forever. Her sense of humor was 2nd to none. Our condolences & our heart goes out to both of you & the rest of the family. Love, Ellen and Ray Helmlinger.

“*Olga, my dear friend. I have such wonderful memories of putting coins in books, many fun lunches together and listening to all of your stories. And what I loved most is your sense of humor. We had our fun secrets together and many funny faces we made at each other.*

One of my funniest memories is the trip I took with you and Julie when we were at dinner and you asked me for a Kleenex but when I handed it to you I just kind of waved it in front of you as I had too much wine. Julie and I still laugh about it.

My heart breaks for your family as I know they will miss you so much.

Thank you for the gift of all the memories I have.

You will be missed.

I love you and your family, dear friend. One day we will meet again.

Love, Alice
