“ *We know her for a year and half. We loved living near her. She helped us get our apartment as she was on the board. She was a pleasure to know and a wonderful woman. She will be dearly missed.*

“ Olivia was such a wonderful person to the Nisenbaum family in Florida. We loved spending time with her at so many different celebrations and holidays. She was always charming, fun and with a positive outlook. Her and Lenny were authentic and caring people. We were looking forward to seeing her in a few weeks at our son Greyson's Bar Mitzvah. Below she is with him in the photos. In the last few years, she was physically weakened, but her smile mind and spirit were bright and strong! We will miss her dearly. Love Sandra, Robert, Dana, Emma, Margo, Greyson and the rest our extended family.

“ Olivia was the best friend who you could tell anything to and always have her wise council. She and Lenny were the most devoted and loving couple I have ever known. They were always there for their friends in their time of need. May she be with the angels for eternity.

Olivia was a dear friend to her Mumford high school class 1960. She was creative with the journal that was presented to the class at many reunions... She was so thoughtful, kind, caring, and giving of herself... She never complained, but only presented a smile and warmth of her own... I loved her very much Carol Rosenberg

I met Ollie, z'l, and Len, z'l, at Dr. Cosovic's office, we became friends immediately. Both fun to be around and great laughs and smiles. When I informed Ollie I was moving to AZ she was sad, and we kept in touch. She made me a beautiful Mezuzah for my front door. I told her she would be with me on a daily routine. I love the Mezuzah, black/red, and brings me much peace and joy; as she did. We communicated via phone and FB. She informed me about her stroke, we laughed. She was so in love with you her family and friends, a truly beautiful, humble and loving person.

Please accept my sincere condolences with her passing, and may you all have many memorable fond memories of your mom, mother-in-law, grandmother, and sister to guide you through your difficult journey. Baruch Dayan HaEmet, zichronah livracha (Blessed is the Judge of Truth, may her memory be a blessing) I truly adored and loved her very much, Cheryl Dworman
