“ I have so many wonderful memories . I've called Pam mom since the day I met her 30 years ago. Growing up she made the best make and cheese! (It was Kraft boxed with the wheel shaped noodles) but I still swear she had a special ingredient that made hers so good! She always had to make sure no one was feeling sick at my house before she would let Aimee spend the night. Aimee always seemed to not feel good the next day after staying over. Lol and Aimee is right. She was a cheerleader to many! No matter what I did she always told me I was Great at it! A great dancer, a great driver, a great friend ect.... She was truly one of a kind and she will be greatly missed.

“ *My mom is my biggest cheerleader. When I'm sad, she's sad, when I'm happy, she's happy with me. My heart aches that she is gone. I already miss her so much and I pray to God that she feels peace and love in her spirit. I'm thankful to God for the time He graciously granted us to spend together. Heavenly Father lift up my mom and welcome her into your kingdom to live forever and ever. Mom I miss you so much and I love you with all my heart and soul. Thank you for giving me life and for always cheering me along. Rest In Peace mom. I'll see you again, in heaven. I love you.*

Love,

Aimee
