Sending love and condolences to all the family. No matter how many times I bowled against Paul in the downtown fox B'nai Brith bowling league, ... I never beat him. And he was always a gentleman about it. Great memories of a wonderful individual

“ Paul and Uncle Meyer took me to see Barbara Streisand in Vegas when we were all in Los Angeles I think for David's Bar Mitzvah. It is a trip I have always cherished. It was that trip that made me a fan of hers to this day. This is just one of SO many memories.

“ We were so sorry to hear about Paul's passing. We had the opportunity to spend quality time with Paul when he came to Arizona, which we will cherish. It was comforting to have him around, and we had fun together. Personally called me every year on our wedding anniversary to congratulate us and was always so lovely to us. May his memory be a blessing, and he will be missed!

“ There are NO words that can begin to bring comfort other than our thoughts and prayers are with you at this very difficult moment in your lives. I have SO many wonderful moments spent with him and Lorraine, from the many visits to your home on our yearly summer trips to Detroit, to the dinners here in Miami, when they would spend their winters in Florida, to the time he and Uncle Meyer took me to Vegas as a teenager. He was a fun-loving individual. Like your Mom-grandmother-great grandmother- I will cherish all the fond loving memories always.

Love to you all,

“ To the Kales family. I will remember the many Friday nights as a kid, having Paul, (or PK as we knew him,), come to our house for poker with my dad. He was a very sweet man, and a good friend to my dad. This breaks my heart. I am so sorry.
