“ I met Paul when he started teaching at Roosevelt Middle School in the 1980's. Before too long I met Jan, and our families became good friends. Our kids were close in age, and they loved playing and doing things together. Over the years since that time, I left Roosevelt (1999) to pursue another career, and Paul taught at different schools in Oak Park, before he retired some years later. Paul, Jan and I have stayed in close touch during our post-Oak Park Schools years, with phone calls, visits and lunches. I know Paul really enjoyed the Oak Park retiree gatherings, when many of Oak Park's former (and some current) staff members would meet at various restaurants and catch up on each other's lives. After knowing Paul for so many years, I feel like there is a big puzzle piece missing from the fabric of my life now that he's gone. I'm grateful for the memories I have, and for my continuing friendship with Jan, Jessica and Cary. My sincere sympathy goes out to all three of them. Paul, I will miss you forever.

“ My family and I would like to extend our prayers and condolences to the family of the late Mr. Paul Sternberg, I only knew He and His Wife Janis just a few short weeks as I was asked to assist with caring for him! He was a nice man from what I got to know of him and I am glad that I was given the chance to know him and Janis the short time that I did! I hope that I impacted him in some way as he has me by inspiring me to play catch with my daughters as I did with him and I will cherish the moments and memories. Janis you were a joy to talk too and be around for the few hours that we were what a breath of fresh air I will be by too see you soon

“ Dear Janis,
I've lived next door to you and Paul since 1990, first with the late Richard and now Mike. Through all those years, our families have experienced the highs and lows of watching our adorable young children grow into adults. I will always remember watching Paul, and you, faithfully walking the canine members of your family, including the late Chika and Stella. You both love dogs so much.

It's been heartbreaking for you, Cary and Jessica since Paul became ill several years ago. With his passing on Friday, I hope memories of him in healthier times will bring you some comfort.

Sincerely yours,

Esther Ingber

“ My deepest condolences to the family of Paul Sternberg. I got to know Paul for several years when he would substitute for me as a PE teacher in Farmington Public Schools. He was a great guy. Always laughing and quick to tell a story about his previous job as a PE teacher. He was just a kind, warm and solid person. He will be missed.
