“ *Pauline Fine will forever live on in the memories of all who knew her as an inspiration for how to live through even the worst of circumstances with a smile on her face, a twinkle in her eye and love in her heart. Though we had few occasions to visit, we knew her as a remarkable woman with a seemingly endless supply of strength. May her memories serve to ease your loss and may you be comforted among the mourners of Israel and Zion.*

“ *I am sorry to hear about your loss. Although Pauline was primarily a friend of my mother, I appreciate her mending my sweaters, ties and other clothes. She handled an overwhelming amount of tragedies in her family without any apparent bitterness, and was an inspiration to me.*

“ Our warmest wishes to the multiple generations, Bli Ayin Horoh, of Pauline's family. We had the privilege and pleasure of being involved in her life during the past few years, going back to her residing at the Hechtman Apartments. Pauline was feisty and funny with a keen sense of humor. Visiting with her was always a memorable experience. We will miss those moments.
