“ Oh I am sooo sorry.
*Pearly and I did hospice together years ago. We sat together in shul.
I just visited her not long ago and she sat on her patio and I sat in the grass.
She was so exited she was going to play the piano at her grand daughters wedding.
She played for me on the phone.
She was a dear. I shall miss her.*

I used to sit with Pearl all the time in Shul for over 10 years. I used to visit her when she lived in her condo. I'm so sorry to hear about her passing away.

“ So sorry to hear this. I've known Pearl for many years and what a fine woman she was. I've enjoyed her piano playing for teachers at Detroit Country Day as well as many conversations we had after Shabbat services at the Shaarey Zedek lunches. My heartfelt sympathy to her entire family.

“ I met Pearl at B'nai Israel when we were both saying Kaddish, she for her brother. I visited her in her apartment on 14 Mile on Chanukah where she and other members of the family played the piano. Her talent was so impressive. While she lived at All Seasons, I used to take her to services at B'nai Moshe every week and she used to play the piano for me. She always had such a lovely smile and was so animated. I offer my deepest condolences to the family. May her memory be for a blessing.

“ *I met Pearl at Meer, where her warmth and vivaciousness drew everyone toward her. When she played the piano everyone circled 'round to join in and sing with her! It was a wonderful thing! Look how beautiful she is in these two photos below, elegant and lovely. She lived to celebrate her 95th birthday with her family even under the restrictions of Covid 19. It meant so much to her! Her caregivers were loving and devoted to her til the last second. Judaism was important to Pearl. When Irina drove her to Shaarey Zedek for Shabbat, she effected that same love and positive influence on Irina as well. "The Lord Gives and the Lord takes back that life. We bless the Lord forever and ever." May Pearl be reunited with those who have gone before her in Gan Eden.*
