“ *Special Memories are what my family and I have of Aunty Gail! From the time I was very young my grandmother would take me to visit Aunty Gail and Uncle Al, may they both Rest In Peace. So many good times together. Our visits there and their visits to us were always memorable. My mother who was very close to her, would make special dinners for us to get together whenever they came to Toronto. Aunty Gail was so much fun to be with. She was the dominating person at all occasions. I especially loved her stories of the past. She knew everything about everyone in the family. She will definitely be missed but not forgotten! We send our deepest condolences to her children, grandchildren and great grandchildren. She talked about all of you with love whenever we were together. May her memory be a blessing to all of you. Love, Elayne and Jack Shuster and Family.*

“ Our sincere condolences to all the cousins and families on the passing of my great Aunt Gail. We all have such fond memories of her as she was a very special lady. I will miss seeing her on our visits to Florida. She always made time for our family to meet us for dinner which we all will truly miss. My late mom had a very close relationship with Aunt Gail and we continued the tradition for many years with our family. May her memories be a blessing to everyone. Our prayers and thoughts are with you at this difficult time.
