“ *Phyllis was a wonderful lady. I met her at Hectman and loved her. She was a wonderful friend of my mom's. They sat at the same table in the dining room and enjoyed laughing and talking. May she RIP.*

“ *Phyllis was my cherished dear friend. When I moved next door to her and the family in 1976, it was instant friendship and remained so for all these years. I will miss her dearly and all our phones calls and the sharing of our lives.  
Love to you always and your family.

“ *I have so many wonderful memories growing up of “Mrs Cheiman”...she was the most laid back person! Hanging out in the summer always in her bathing suit, catching a few sun rays, and therefore having a constant tan! The fridge and snack pantry were always welcoming, and she was always good with me sleeping over. When my Mom died and I was 13, she was so comforting. As I grew up and the years passed, whenever I would see her it was like no time had passed at all...I could tell her everything. Thank-You for all the loving memories, please say “hi” to my Mom for me, now that you are both in heaven* 💕💕💕

“ I'm so very sorry for the loss of your mother. Phyllis was part of my family. Since Lori and Alan got married Phyllis and I shared our holidays. I was sad to see her leave Florida but so glad when we spoke an she told me how much she was enjoying being back 'home' and spending time with her girls. Phyllis was lovely.

Again, so sorry. You are never old enough to lose your mother. It's always painful but the good memories will always be there with you.

“ Grandma Phyllis is and always will be a forever memory that I am so blessed to have come to know. Sweet, loving, caring- Grandma Phyllis always wanted the best for everyone. One of many great memories I have with her is when me and her were at her apartment back in boynton beach and we were putting picture frames together. She was babysitting me and I was watching blues clues on the television in the living room.

Growing up I am beyond grateful that I got to share memories with “you”. Rest In Peace Phyllis. I love you. We love you.

*I'd like to close my condolences with the following quote:*

*“We meet but briefly in life, if we touch each other with stardust – that is everything.” Unknown*

“ SO VERY SAD TO HAVE LEARNED THE RECENT NEWS OF PHYLLIS’S PASSING. I LOVED PHYLLIS HER ENERGY, SWEETNESS, AND SPIRIT... I FIRST MET HER OVER 20 YEARS AGO ... SHE WAS IN AEROBICS CLASS WITH ME WEARING HER SHORTS AND SMILE KICKING TO THE MUSIC AND MAKING ME FOREVER LAUGH. THEN WE LEARNED THAT SHE WAS MY BUDDY RANDY HARWOOD’S AUNT AND WE HAD THAT CONNECTION TOO. I SEND MY LOVE TO THE FAMILY AND MY SINCERE CONDOLENCES ... ALTHOUGH I HAD NOT SEEN PHYLLIS IN A WHILE SHE FOREVER MADE A STRONG IMPRESSION ON ME AND A MEMORY THAT WILL LIVE ON FOREVER! WITH LOVE AND HEARTFELT SYMPATHIES...

“ I met Phyllis in 2000, when her beloved son, Alan, married my beloved niece, Lori. She was so welcoming to our SHERMAN family. I saw her many times during the past years during trips to Florida at family gatherings. She was always upbeat and loved life. She adored her family so! She will be missed.
