“ Dear Kohn Family,
I have fond memories of Phyllis as the loving sister of Eileen and Adele but also as the person who tested the incoming students at Hillel Day School. She was warm, loving and kind to all those children. Her sweet smile made all those tentative kids feel calm and ready. I remember my own daughter was anxious but Phyllis made her feel confident. Thank you, Mrs. Kohn! Your memory will be a blessing to all who knew you.
With love,
