*Leonard, Arnold, and Anita, I wish you and your families a long life. Your Mom was and is a super person and I have many fond memories you 3 and her when you were last in Welkom. Your Mom was so very like your grandpa Solly. She had a great heart and was in every way the mother that any one would love to have. May you all live to 120 Steve Simon (Cousin Dawn's ex husband)”*

I met Phyllis about 15 years ago, and she became not only my accountant but a good friend. I saw her quite recently at Fleischman, and was so glad to meet her son. She seemed so happy and looked lovely. Im so sad and sorry, and send condolences and sympathy to her family. Barbara Rosen.

As the various speakers said so eloquently, Phyllis was a lovely, positive person whose outlook and affect were a treasure to all those fortunate enough to know her. Whenever I saw her in shul at Beth Ahm she would ask me to convey her regards to my husband (her former thyroid doctor) and our children. I loved her accent and her kind spirit. I was especially in awe of her relationship with Eric and everything she did for him during a critical period of time in his life. To me, that said it all about Phyllis. I will miss her very much. Zichrona livracha - her memory is for blessing.
