MR

“ *To Semyon and Gennadiy.
We are very sorry to hear about your loss. Your mom was a kind, considerate, always eager to help, full of life woman. We will never forget the strange days of our joint immigration, or as Gissia used to say evacuation. Despite recent at that time loss of her beloved husband (your father) your mom tried to stay positive and in good spirits. She only rarely dropped a tear when you where not around. Polina was a special person, we cherish our memories of times spent together. Mary, Inna, Alla*
