“ I just found this memorial. Very late am I.

But I no longer reside in the USA.

Ivan was a very kind person to me when I was a fellow graduate student (PhD student) at Yale, especially in the years 1968-1970. He told me about himself.

Professor Starr was my Hebrew teacher at Wayne State in the mid 1970s. He was a lovely man, very kind, and a wonderful teacher.
