To know Rae was to love Rae. When she walked into a room she lit it up like a beam of light. Rae was vibrant and full of optimism. She was a warrior for her family and always put them first. She was their rock. Rae adored her family and always had words of encouragement and support.

Rae loved nature, especially birds and flowers. She was a loving soul who was generous and compassionate toward people and animals. Rae was spiritual, mystical, and had a keen sense of intuition.

Rae was known as Bubbie by many of her family and friends. Bubbie was trendy in her fashion, especially when it came to her accessories. She had a great sense of humor. She was spirited and fun to be around. Bubbie was the life of the party, so vivacious. She was strong, tough as nails, full of energy and spark. She was cherished by all of her family and friends. Bubbie will be greatly missed and always loved. May her memory be a blessing to us all.

Beloved wife of the late Isaac Glickoff.

Devoted mother of Belinda Morales, Denise Goodman and Gay Glickoff.

Loving grandmother of Elyssa (Joe) Sardy, Merric (Emily) Goodman, Aaron Morales and Dominic Dobbins. Cherished great-grandmother of Talia Sardy and Mazin Sardy.

Dear sister of 9 late Siblings.

“ To my dear Bubs.....you sure made an impression on each and every person you met. I, because of you felt loved every time I saw you. I looked like a movie star, had the best socks, my hair was looking great and my heart was full. Nobody ever made me feel all that and more but you at one time!!! The family you built is merely just one point of proof of what a mentor you are! You will forever remain in my heart as my Bubs, my Grandmother and I hope to God that I will forever remain in your heart as your Kris. I see you in so many beautiful creations on this earth. Keep shining bright and thank you for loving me and an honor to know you. Always your Kris

“ It was a pleasure to know this colorful woman That intrigued me! When I 1st met her she drove a car packed with her treasures I always gave her lots of Room to pass me by! I love their little story about Fox theater dancing on stage for 50 cents when she is 5 years old! One thing for sure this Bubbie was loved! She still notice hair and fashion I could tell even now looking at her she was a beauty and she still was! I know she will be missed greatly]
