*I write this in great sorrow. I knew Randy from the time I was 12 until his passing. He was at my Bar Mitzvah in 1978. The last time I saw Randy was at my wedding about 5 years ago. I knew him for 35+ years, and I loved Randy and his family. I spent every waking moment from Middle School through College with this same group of guys. I admired him and laughed endlessly with him, and I could tell you stories! Rest well, Big Guy.*

“ *I grew up with Randy. He was always smiling and nonjudgemental in any way. A real mensch. I hadn't seen him in many years and was so happy to find him working at a place that I frequent. It was a blessing to rekindle our friendship even though it was only for a brief time.*

*To Randy's family:*

*המקום ינחם אתכם בתוך שאר אבלי ציון וירושלים.*

*May Ha Shem comfort you among the other mourners of Zion and Jerusalem.*

“ *Dear Rubin Family: I am so shocked and sad to hear of the loss of Randy. Of course I remember him as a baby; one of the younger Cloverlawn kids. It seems like just a minute ago. Please accept my sympathy and wishes for your peace and solace in the days ahead.*

“ *I will never forget how hard we laughed at the motorcycle wheelie on Novi Rd or my new Jeep I need rescued with Zoli. That's one thing you and I had no problem doing is laughing. You are my true good friend Randy. Good bye. Thank you for making me realize how important friendship is. You made me a better friend and man.*

“ Randy and I met at camp and he always made me laugh. He was the one in our edah you could count on for the biggest smile and some for sure some prank! Just recently we got to catch up and I loved to see his smile again. May his life be a blessing. I know mine has been touched by knowing him.

“ I met Randy the first day of camp, the summer of 1976. No one made me laugh more than Randy did. He had a certain sense of mischief and adventure to match his sense of humour, and he is part of so many of my favourite memories from camp Ramah. I am so greatly saddened to know that he is no longer with us.
