“ Genie and Steve, Alex and Rebecca,

Nona was LOVE to all and FAMILY to those who were lucky enough to know her! How we loved her great big hugs and her big ol' soggy kisses, how we loved her laughs and joy when she was surrounded by friends and family, how we loved being forced to eat more food even though we secretly had to pop our top button on our pants to let that happen, how we loved driving home after a visit and pulling over off the road to dive into the grape leaves she sent us home with, needing "just one" before making it home. She taught us all how to unconditionally love, how to embrace life no matter what it threw at us and how to share your soul. Nona reminded us how important family is and that nothing, nothing is more important. Thank you Nona for being a part of our family, we will miss you every day and will think of you with smiles and love and laughter and peace forever. Genie, her love will forever shine and exist in how your family lives their lives. We love you all!

“ Genie & Family,

Your Mom was truly a treasure in any persons life that she came in contact with. Its been a long time since I have seen her, but the memories are there..when we were younger & single we would meet at your house and your mom would always be happy to share a joke, food and stories with all of us... she was a wonderful person. My thoughts are with you all

“ Aunt Becky was a wonderful woman and had a beautiful voice, she always loved to get people together, worked hard most of her life she treaded me as a daughter instead of just best friends with Genie, we are sisters and friends for life, Tante you will be missed and when you see Mom your best friend in heaven give her a kiss for me.
