Dear Max, Sheldon, Alisa and family, There was no one like your dear and beautiful Rene! She dazzled us all with her British accent and love. She always took the time to make everyone feel special and play Barbies with the kids. May her love and memories always try to fill the void in your hearts. We are so very sorry that we are not there with you today.

*May the family know no more sorrow
Rene was a wonderful human being*

sending condolences from the Billyacks, Friedmans, Vaiselbergs, and Watts families.

Our wonderful memories of our interactions with Renee and Max go back many years to when Renee's dear mother Helen lived in the Hechtman Apartments. It was during my tenure as Religious Director at the Fleischman Residence. One of the local extended family must have mentioned that there was a very interesting resident living next door. From our first visit with Helen we were hooked. Then when one of Renee's visits coincided with ours, those two British royals had us hook, line and sinker! In the ensuing years Shelly and I shared numerous wonderful experiences with Max and Renee. If not for my own ill-timed revisit with Covid symptoms, I would have spoken at the funeral as well.

Max is a man of profound religious strength. May the Al-mighty continue to support him in the weeks and months ahead. May this entire family experience Heavenly consolation amongst the mourners of Zion and Jerusalem- including Renee's brother Yehuda in Israel.

“ Rene, I just wanted to let you know I still think about you everyday. It's been an extremely tough year especially for all that love you. I would love to hear your thoughts about all that is going on in the world, always words of wisdom which provided me hope and direction. I sure miss that.

We carry on without you, sadly. You were a wonderful spirit in this crazy world, something sorely missed. Thank you for coming into my life and to my wedding that meant the world to me...I know that we can't guarantee much in life, but I can guarantee that I miss you and everything about you. I just wanted to let you know that you are missed every day.

With love,

“ I was privileged to have planned many wonderful and exciting trips for Max And his beautiful Rene. She lit up whatever room she came into. Every time she would come to the office the visit was fun and delightful. Max adored her and would always say, “Whatever she wants.” It was an honor to know her. I would think about her often.

“ *We have felt a loss today. It has been a number of years since we have been with Rene, but her personality — happy, smiling, kind, loving, welcoming — gave her entrance into our own hearts as a cherished family member. We will never forget her and send our deepest condolences to Max and all his beautiful family.*

“ Max, Sheldon, Alisa, Yehudah, and all family, our deepest
sympathy. Rene was the dearest, kindest, sincerest cousin with a
heart of gold. Although distance has taken a tow on personal seeing
each other she has always remained close in heart. We will miss
her deeply. Rene may you now have no more suffering and may
your neshama have an aliyah.
