“ *I'm sorry I was not in town to visit the family in person. Rita was such a lovely presence at B'nai Israel Synagogue, along with her friend Tillie Silverman, who also just recently passed. Her chipper personality and humor is missed. May her family treasure only good memories. Joanna Abramson*

“ *What a blessing for the entire family that Rita was granted longevity of life! My involvement with Rita and her family began during Harold's waning health. At that time I was introduced to Sherri and her artistic talents. As I recall, bridges are a prominent theme in her paintings. How appropriate! Spiritual bridges represent our crossing over from this temporary life to the Eternity of The World to Come! As Rita rejoins her beloved Harold for eternity, we extend our condolences to the entire family: May the Al-mighty console all of you amongst the mourners of Zion and Jerusalem!*
