“ Until Bert A"H passed away, I could never picture him or Rita in any public setting as alone, without their other half right there at his/her side. Life has that nasty way of tricking us, and leading us to believe in the unrealistic and untrue falsehoods of our mortality. Deep inside, each of us knows that our lives in this temporary world are exactly THAT! Temporary. Still, it's a comforting illusion for as long as it lasts. And now, the ultimate truth- that the Heavenly matched Neshamos/souls of Bert and Rita are reunited until Moshiach comes - should hopefully serve as the basis for the consolation of their children and grandchildren. המקום ינחם אתכם בתוך שאר אבילי ציון ירושלים
