“ *Just heard about Bob's passing. Prayers to his family. Bob was a long time member of the Social Activities committee of HFMA that I chaired and always helped out and/or participated in all our events. His favorite was guarding the hole in one contest at our annual golf outing. RIP Bob. You will be missed.*

“ *My condolences to Dianne, Bob's family, and his many friends. I had the pleasure of knowing Bob for nearly twenty years through the Healthcare Financial Management Association (HFMA). He was a great ambassador for the organization and active in the chapter's education, networking, and social events. You could always count on Bob being generous with his time and his sincerity. He also served as an informal mentor to me in our HFMA chapter and I am so fortunate to have had such rich interactions with him. We will miss Bob dearly.*

“ Uncle Bob was so inspiring his positive and upbeat demeanor - even when he was sick. I love the relationship he had with Mitch and so glad he met the love of his life - Dianne.

“ Bob was also a proud graduate of Pasteur Elementary. He maintained profound kindness and warmth throughout the past 74 years when Doc moved to Piccadilly. All of us know his colloquialisms. Never was there a harsh word. Bob will be missed. He was the essence of a mensch in so many ways. Our condolences to Dianne, Mitchell, and Linda. Sharyl and Alan

I have known Bob since we were kids at Mumford. As I told his family yesterday, I never met a kinder, nicer person in my life. He had a multitude of interests - and deep knowledge - ranging from world events to sports. He took both good and bad news with acceptance and grace. A rare individual indeed. My condolences to Dianne, who gave him so much love and care, and to his son Mitchell, whose eulogy was so touching.

“ Robert was my friend since high school. We stayed in touch and occasionally got together. A wonderful, one-of-a-kind person, whom I will miss very much. Our families were friends, too. Love and condolences to the family.

“ Bob was a proud graduate of Mumford High. He always enjoyed talking about the basketball team and following our posts on Facebook about the old days. He was a great guy who will really be missed.

“ I was so sad to hear about Bob. I worked with him doing volunteer work at Jewish Vocational service. He was a wonderful person to know and work with with a great sense of humor. May he rest in peace.

“ I have many fond memories of Bob that I will always carry. I remember one of Bob's favorite quotes, "Twins Win!" Bob and I enjoyed 'extensive' discussion of sports, even though I know nothing about it. Above all, Bob cherished his family. I will miss Bob and the warmth he brought us.

*Phil: that may have been "Wings Win," but I understand your profound depth in the world of sports that you've proudly boasted about over the years would lead to your confusion. Thank you for your post. Our love to Cindy and you. From Donny baby and Susie baby*
