“ When I first started in business in 1983 at the age of 23, Bob was somewhat of a mentor to me. Bob always treated me good, and always sat me down for a great conversation, and a new joke. I will miss him. My condolences, and heartfelt feelings, to Bob's family and friends. Respectfully, Neal Alpert ❤️

Proflig storyteller.
Beginnings modest, he'll be the first to say:
Meant meek.
Unaffected and grateful, his successes were many;
Heart always open.
Generous vessel of kindness and love
Caring mentor.
Dynamic equitation.
His transparent silliness, and technical observation, and
selfless sharing filled his being.
