He was the example for Jeff to join the community. Jeff admired in Robert his inclusion of worldly issues beyond his devotion to the community. Bless Shani & all the family. Robert will be missed. Cousin Diane

“ Robert, my high school classmate, was kind, gentle, quiet and thoughtful. I saw him often at the Oak Park library where we would chat about school and worldly things.
May the family be comforted amongst the mourners of Zion and Jerusalem.

“ Shani, I have been wondering for a long time how your husband was doing. I'm sure it has been a long year plus since we spoke when my husband passed last year. May his memory be a blessing and your journey to lay him to rest in Israel be a safe one.
