“ Oh the memories my heart holds.....from meeting Irv and Bobbie on a bus in Lake Tahoe (when there was a bomb scare at Harrah's and we had to stay on the bus in a forest area) to the many dinners, parties, get-togethers, game playing, and most importantly the day trips Bobbie and I would take laughing, talking, laughing more and always getting lost. See you on our next trip my beautiful loving friend.....you showed me how a "true" lady lives and loves. Will miss you always.....
