“ *Rochelle brought me and Coach Tony to Hillel and got us started on the best memories ever. PE classes, coaching, etc. I am now in Houston and miss Detroit very much. I can not say anything about Mrs. I that probably hasn't already been said. However, I cant thank her enough for trusting me and bringing me to Hillel. I feel a real loss with her gone, plus now Tony, wow Its devastating. Being 1500 miles away is hard enough with missing my direct family, but Mrs. I treated me as family, and made me part of the Hillel team and family and I will ALWAYS be grateful and thankful that she did. To her family, Wow were you lucky to have her and my heart goes out to you!*

“ *She, Mrs. Levy, and Mrs. Jaffe were excellent teachers. I was so lucky to have them. Mrs. Iczkovitz also didn't tolerate shenanigans. She was a disciplinarian and an excellent educator. None like her anymore in schools today. Also a very classy lady and snappy dresser who loved teaching and cared about her students. I very much enjoyed being one of her pupils.*

“ To my dear friends Bonnie, Mark, Rebecca and David, Leo and I are so sorry for the loss of your mother (in law) and Grandmother. I have fond memories of Rochelle who was always kind and loving, caring enough to always ask sincerely about our children by names.

At Hillel, as "Mrs. Iczkovitz" she was still consistently kind and caring, but also was insightful and forthright. As parents, we always felt we were in good hands because of her. Sending Love and prayers, may her memory be a blessing.

“ To Rochelle's dear family,
I taught in Hillel back in 1983. At that time I believe that Rochelle was a curriculum adviser. I remember her as a very pleasant person who always dealt with her colleagues in a professional manner. I felt that she was a very classy individual. I appreciated her kindness and her forthrightness in all matters. I will truly miss her. May you be comforted among the mourners of Zion and Yerushalayim and your family should only know of a future filled with Simcha.

Respectfully,
Ezra Roberg

I Send my condolences and sincere sympathy to the family. Rochelle was one of the kindest, wisest, most intelligent friends I have ever had. I am glad she is no longer suffering, but will continue to miss her.

“ Rochelle was my boss at Hillel Day School. She had that unique quality of toughness and logic while being able to listen to people's thoughts, ideas and (sometimes) complaints. I admired her leadership and wish her family many happy memories. Nancy Cohen-Vardy

“ I was one of Mrs. Iczkovitz's math students at Hillel Day School. It was an honor to share a first name with her. More importantly, she was an incredible math teacher and school administrator, and an important example of a strong, well-respected woman leader. Her example has guided me throughout my life. I wanted to be the person everyone respected, maybe was a little afraid of, but acknowledged was a good person and enhanced the community.
