“ I had just shared a memory of Mr. Skully with one of my coworkers, as we both were nurses for him during his time at our facility. I'm just now finding out about his passing and I'm deeply saddened by it because while I was caring for him he was the most pleasant, funniest, down to earth gentlemen I'd come across in my years of being a nurse. We would have long conversations about his life and I could tell he was a great man to those who knew him. I hope your soul is resting in peace Mr. Skully, with love.

“ I'm so saddened to hear this news. I remember all the wonderful professional pics he used to take and post of our dog park pups and their owners. He always had his camera with him, to capture those memory making pics, including some of our Howl-o-ween parties. He was a regular with his sweet little boy Caleb at our park up until he moved. May your rest in peace Roger and thank you for all the beautiful pictures so we could create our storybook memories.

“ *Sincere condolences. Roger was a close friend of my brother Steve growing up in the neighborhood. I always looked for him in the choir during the High Holidays. We connected on Facebook several years ago. May his name be a blessing. Dennis Morse*
